

Safety Data Sheet
**Basics Oil Pastels
(Violet only)**

Revision Number 1
Issue Date 20 September 2023
Supersedes

SECTION 1 Product & Supplier Identification

Product Name Basics Oil Pastels (Purple only)
Other Names None
Product Code PS0...
Barcode Number
Recommended Use Coloured, soft pastel for drawing and colouring.
Restrictions on Use None known
Company Zart Art
ABN 24 621 120 321
Address 14-17 Dansu Court, Hallam, VIC 3803
Telephone +61 3 9890 1867
Supplier Code
Emergency Phone Number Australia – 13 11 26 (Poisons Information Centre)

SECTION 2 Hazards Identification

Classification of the hazardous chemical

Hazardous Chemical. Dangerous Goods. According to SWA and the ADG code.

Physical hazards	Not classified	
Health hazards	Serious eye Irritation	Category 2
Environmental hazards	Not classified	

Label elements, including precautionary statements

Hazard symbols

Exclamation mark
WARNING

Signal word

Hazard Statements

H318 Causes serious eye irritation

Precautionary statements

Prevention	P280 Wear protective gloves / protective clothing / eye protection / face protection. P264 Wash hands thoroughly after handling. P270 Do not eat, drink or smoke when using this product.
Response	P305+P351+P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. P337 + P313 If eye irritation persists: Get medical advice / attention.
Storage	P403+P233 Store in well ventilated place. Keep container tightly closed.
Disposal	P501 Dispose of contents/container in accordance with local regulations

SECTION 3 Ingredient Composition / Information

<u>Chemical Entity</u>	<u>CAS No.</u>	<u>Proportion (to 100%)</u>
Pigment Violet 3	1325-82-2	<10%
Non-hazardous components		to 100 %

SECTION 4**First Aid Measures**

General Information You should call The Poisons Information Centre if you feel that you may have been poisoned or irritated by this product. The number is 13 11 26 from anywhere in Australia (0800 764 766 in New Zealand) and is available at all times. Have this SDS with you when you call.

Description of necessary first aid measures

- Eye** Immediately rinse with plenty of gently, running water for at least 15 minutes, with eyes open wide as much as possible. Seek medical attention.
- Skin** Wash off with soap and water. If any symptoms arise seek medical attention.
- Inhalation** Move to a well ventilated area. Seek medical attention if symptoms arise.
- Swallowed** Rinse mouth with water. Give water to drink. Seek medical attention if symptoms arise

Personal protection for first aid responders

Ensure that medical personnel are aware of the material(s) involved and take precautions to protect themselves.

Symptoms caused by exposure

Direct contact with skin may cause minor irritation.

Medical attention and special treatment

Provide general supportive measures and seek medical attention if symptoms persist.

SECTION 5**Fire Fighting Measures**

Extinguishing equipment

- Suitable** Water, fog, foam, dry chemical powder, carbon dioxide. When choosing extinguishing equipment be aware of any potential hazard(s), example electrical.
- Unsuitable** Anything that could spread the fire and or risk the safety of surrounding personnel.

Specific hazards arising from the chemical

None known.

Specific protective equipment and precautions for fire fighters

Self-contained breathing apparatus (SCBA) and full protective clothing (PPE) must be worn in case of fire.

Hazchem Code Not available.

General fire hazards No unusual fire or explosion hazards known.

SECTION 6**Accidental Release Measures**

Personal precautions, protective equipment and emergency procedures**For non-emergency personnel**

Keep unnecessary personnel away and upwind of spill. Wear appropriate protective equipment during clean up. Prevent contamination to drains / water ways. Contact Local authorities if spill cannot be contained. Place in clearly labelled containers for disposal in accordance with local regulations. Heed advice under Section 8 "Personal Protection".

For emergency responders

Keep unnecessary people away. Heed advice under Section 8 "Personal Protection".

Environmental precautions

Avoid discharge to drains, water ways or onto the ground.

Methods and materials for containment and clean up

Large spills – If safe to do so, collect and place in properly labelled containers for disposal in accordance with local regulations.

Small spills – Clean up with brush and shovel.

SECTION 7**Handling & Storage**

Precautions for safe handling

Avoid contact with eyes. Wear appropriate personal protective equipment. Observe good industrial hygiene practices. Always wash hands after handling the product.

Conditions for safe storage, including any incompatibilities

Store in a cool, dry location in a closed container. Store in clearly labelled containers.

SECTION 8**Exposure Controls / Personal Protection**

Occupational exposure limits (OEL's)

No OEL's noted for this product.

Biological limit values

No biological exposure values noted for this product.

Appropriate engineering controls

Use in a well-ventilated area. Provide eyewash station and safety shower.

Individual protection measures, for example personal protective equipment (PPE)**Eye protection**

Wear safety goggles and face shield.

Skin protection

Wear impervious gloves.

Hygiene measures Use and maintain good industrial hygiene. Always wash hands after use. Do not eat, smoke or drink when handling this product.

SECTION 9**Physical & Chemical Properties**

Appearance	Solid, violet colour
Odour	Not available
Odour threshold	Not available
pH	Not available
Melt point / freeze point	Not available
Boiling point	Not available
Flash point	Not available
Flammability	Not available
Relative density	Not available
Solubility in water	Not soluble (oil based)
Specific Gravity	Not available

SECTION 10**Stability & Reactivity**

Reactivity Product is considered non-reactive under normal conditions of use, storage and transport.

Chemical stability Product is considered to be stable under normal conditions of use, storage and transport.

Possibility of hazardous reactions

No hazardous reaction known under normal use.

Conditions to avoid No specific data available for this product.

Incompatible materials

No specific data available.

Hazardous decomposition

In a fire product may give rise to the release of obnoxious fumes including oxides of carbon.

SECTION 11 Toxicological Information

Information on possible routes of exposure

- Eye contact** Serious eye irritation
Inhalation No adverse effects expected due to inhalation.
Skin contact Minor irritation may be expected in some individuals.
Ingestion Expected to be low ingestion hazard.

Symptoms related to exposure

Direct contact with eyes may cause stinging / burning, tearing, redness and blurred vision.

Acute Health Effects No specific data available.

Serious eye damage / irritation

Causes serious eye irritation.

Skin corrosion / irritation

Prolonged skin contact may cause minor irritation in some individuals.

Carcinogenicity No data available.

Reproductive toxicity

This product is not expected to cause reproductive or developmental effects.

Additional Information

This product does NOT contain,
Egg, dairy, soy, seafood, shellfish, wheat or peanut products, by-products or derivatives.

SECTION 12 Ecological Information

Ecotoxicity No specific data is available for this product. However, do not release this product or any water contaminated with this product into drains, soils or waterways. Sufficient measures should be taken to retain the water used in extinguishing any fires involving this product. Dispose of contaminant in accordance with local landfill or incineration regulations.

Persistence and degradability

No specific data available.

Bio accumulative potential

No specific data available.

Mobility in soil Product is insoluble in water.

SECTION 13 Disposal Considerations

Disposal methods Dispose of this product and any water contaminated with this product in accordance with local regulations.

Contaminated packaging

The container in which the product is/was contained should also be disposed of in accordance with local regulations.

SECTION 14 Transport Information

ADG Not regulated as dangerous goods.
IATA Not regulated as dangerous goods for IATA
IMDG Not regulated as dangerous goods.

Special Precautions No special precautions or requirements for transport

Basics Oil Pastels (Violet only)

Safety Data Sheet

SECTION 15**Regulatory Information**

Safety, health and environmental regulations

This Safety Data Sheet was prepared in accordance with Safe Work Australia's Code of Practice for the Preparation of Safety Data Sheets for Hazardous Chemicals.

Standard for the Uniform Scheduling of Medicines and Poisons (SUSMP)

Not allocated

AICS

All components are listed in the Australian Inventory of Chemical Substances.

SECTION 16**Other Information**

Reason for Revision

Create SDS in accordance with GHS requirements.

SWA

Safe Work Australia

ADG

Australian Dangerous Goods Code

IATA

International Air Transport Association

IMDG

International Maritime Dangerous Goods Code
